# Roberts Family Development Center After School Program

\*State Approved Supplemental Service Provider for No Child Left Behind Act

The program is open Monday-Friday 2:30-6:00 p.m. and provides students in 1<sup>st</sup>-10<sup>th</sup> grades with a safe place to study, play, and be creative. We work with the Twin Rivers and Natomas School Districts.

Our after school services include:

## Homework Assistance

Team Leaders closely monitor the study session to offer homework assistance. Leaders guide students through assignments with examples of concepts that may be unclear. They also review assignments for completion and accuracy.

## Literacy & Math Enrichment

These are incorporated standard based programs that lead students through daily designed to develop student vocabulary, academic comprehension, and reinforce classroom instruction.

## Extracurricular Activities

Hands on projects, science experiments, field trips, technology, and recreation time allow students the opportunity to express themselves in an organized and constructive way.
